STEWARDS FLASH REPORT # 01 -20
BY PETE FURGIUELE, PRESIDENT – Jan 7, 2020

SISTERS AND BROTHERS!!!

Contract Negotiations Update: We hope all our Members had a Joyous Holiday Season. 2020 is upon us and it's shaping up to be very interesting year to say the least. Hopefully by the time you receive this Flash Report we will have gotten our long awaited arbitration award for our new national agreement. Let there be no doubt this award will be instrumental in keeping our bargaining rights intact or it will change postal workers lives for ever. Anti Labor & Worker sentiment under the current administration in Washington is unprecedented!!! We must remain alert. That means we will stand up to anything and anyone who thinks our benefits haven't been earned.

Postmaster General Megan Brennan has announced her retirement effective January 31, 2020. The Postal Board of Governors will choose new Postmaster General. This board is stacked with appointees that are pro-privatization, anti union & worker!

ALL APWU MEMBERS ARE URGE TO LOG ONTO APWU.ORG WEB SITE TO SIGN PETITION CALLING FOR THE BOARD OF GOVENORS TO APPOINT A POSTMASTER GENERAL THAT WILL KEEP THE POSTAL SERVICE INTACT AND FIGHT TO PROTECT POSTAL WORKERS BENEFITS ETC.
